

A touch of luxury

Looking for a luxurious body cream that leaves the skin feeling and smelling delicious? Try the new Acad'arômes Moisturising Body Cream (€21). We also love the multi-functional Slimming Body Cream (€32.50) from the range, which smooths and reduces dimpled skin, refining the body contours. With a serum texture, the lotion is quickly absorbed and really makes a difference to those lumps and bumps! Call (046) 9481 091 for details of stockist details.
