

Mother earth.....

Luxury skincare is always a lovely Mother's Day present and they don't come any more luxurious than the new aromatherapy range Acad'arômes from Académie.

For more mature skins, we particularly like the Acad'arômes Nutrition Oil (€32.50), which is massaged into clean skin before applying the Acad'arômes Nourishing Cream (€42).

The Acad'arômes range by Académie is available from salons nationwide. Call (046) 948 1091 for stockist details.
